V. AUTHORITY AND REFERENCE

The CalPERS Board of Administration has the plenary authority and fiduciary responsibility for investments of moneys and administration of CalPERS, pursuant to the California Constitution (section 17 of Article XVI) and the Public Employees' Retirement Law (PERL) (California Government Code title 2, division 5, part 3). The proposed regulation is implementing, interpreting and making specific Government Code section 11125.

Government Code section 11125 of the Bagley-Keene Open Meeting Act requires the Board to provide notice of its meetings to any person who requests that notice in writing. Notice must be given and made available on the internet at least ten (10) days in advance of the meeting.

- The address of the internet site where notices required are made available;
- A specific agenda for the meeting, containing a brief description of the items of business to be conducted or discussed in either open or closed session. A description of a matter or other item of business to be conducted or discussed in closed session shall include a citation to the specific statutory authority under which a closed session is being held;

NOTICE OF PROPOSED REGULATORY ACTION

CalPERS previously mailed hard copies of the Board meeting notice every month to individuals who requested notification. Other state agencies, including the Board of Equalization, have interpreted Government Code section 11125 to allow the electronic mailing of Board meeting notices. (Per title 18, Cal.Code of Regs, section 5530.) To achieve cost savings, support CalPERS environmentally-friendly efforts, and increase the quality of customer service delivery, CalPERS similarly interpreted Government Code section 11125 to allow electronic mailing of Board meeting notices.

Proposed section 552 codifies CalPERS' interpretation of Government Code section 11125. As drafted, the new section gives CalPERS the flexibility to provide notice of Board meetings either by electronic mail or U.S. Postal Service.

VII. EFFECT ON SMALL BUSINESS

The proposed regulatory action does not affect small business as it applies only to internal CalPERS operations.
